For more information and Applications see: <https://www.synergycentre.ie/programmes/new-frontiers/>

Please do not apply to programme(s) unless you can fully commit to the dates above. Programmes are free of charge but places are offered on a competitive basis using the information supplied on the application form. We recommend meeting the Programme Manager in advance of submitting an application for an informal discussion on the programmes and application process. Contact the Programme Manager for more information: DavidP.McDonnell@IT-Tallaght.ie

IT Blanchardstown programmes commence in June: <http://www.itb.ie/IndustryInnovation/index.html>

Note: Above dates may be changed for operational reasons.
